

The Bungeeee Run

About the Bungee Run

This is a custom-made unit, constructed of high quality vinyl and for commercial use. This is NOT a “buy for home use” type of unit. Strap on your gear; it's time to test your strength against the pull of the bungee! Race against a competitor to the end of the run and try to either place a marker on the velcro strip or retrieve the marker from the velcro strip. Can you get your marker farther down the line than your competitor? But watch out for the extreme pull of the huge elastic band strapped to your back.

This game is recommended

for teenagers and adults only. The bungee run is a blast for both spectators and participants. The Bungee Run is 33' long by 10' wide by 8' high. 2 people play at a time. You can either play with 2 new contestants each time OR you can have the winner take on a new competitor until he/she loses.

Requirements

The Bungee Run requires a relatively flat area about 36' x 12' within 50'-100' of an electrical outlet. We need at least 10' of overhead clearance away from trees or power lines. We prefer to set the inflatables up on grass but concrete or asphalt are acceptable as well. Sticks and rocks must be cleared from the area before we arrive. The bungee run can be set up indoors if you have an auditorium or gymnasium large enough. You may be able to rent a gymnasium at a nearby park, church, or school.

A minimum of 1 adult **must supervise** the inflatable at all times, 2 are recommended.

Attendants can be provided by Jump-2-It! at an additional cost (\$12 per hour), or you may supervise!
